

West Midlands Ambulance Branch

Visit Our Website: www.wmambo.co.uk

Email: wmamboweb@aol.com

The UNISON - West Midlands Ambulance Branch Benefits Programme provided by Lealta offers you superb day-to-day discounts with thousands of national and local retailers across the UK, all of which are accessible and displayed via your dedicated branded website and cardholder helpline.

As another part of our ongoing commitment to delivering additional features and enhancements to our service, please find enclosed a link to a pdf of local discounts located within 50 miles of DY8 1NE which you can download personally. All discounts listed are redeemable on production of the cardholders valid benefits card in-store or when paying for service. A similar list of fully updated local discounts will be sent by email on the first Monday of every month in order that you can communicate in the best way you see fit.

Remember, if you don't see a discount listed with a particular retailer with whom you would like to enjoy a benefit then let us know via the recommendation facility on the website or via the telephone helpline in order that we can source one that meets your needs... It could be a retailer utilised every day (sandwich shop, restaurant, gym etc.) or one required only once (skip hire, carpet fitter, children's entertainer etc.)
