

The Joint Staff Side Trade Unions of West Midlands Ambulance Service

Ballot Information Update Meetings

WMAS has now been told that the Joint Unions intend to ballot their members over industrial action regarding the deduction of unsociable hours payments. In view of this, a number of station meetings have been arranged in order to update staff on how important this is and what it could mean to them. It is imperative that as many staff as possible attend this meetings. Senior Union Representatives and Full Time UNISON Organiser Ray Salmon will also be attending.
