Happy New Year!!

Thank you to all the staff that took the time to email and contact us in 2013. Your comments and opinions were used by Unison Reps in meetings with Senior Management and it is hoped that in 2014 this can continue.

In an attempt to involve staff more in the daily discussions undertaken by Unison reps, we are planning to make minutes of meeting attended more accessible to Unison members.

Can anyone who would like the minutes of meetings attended on YOUR behalf by Unison reps emailed directly to them please contact WMASUnisonQandA@yahoo.co.uk with their details.

Many Thanks
